Sam Zukerman & Sons, Inc. is a "one stop" source for gift packaging supplies. We offer competitive pricing, excellent quality and selection.

With over 1,000 line items stocked "year round" you can be assured of availability in February as well as October. Sam Zukerman & Sons provides a variety of gift packaging supplies to support your "Time of Year", "Special Occasion", Corporate Gift & Fund Raising efforts.

Our low order minimums allow you to order more frequently - freeing up your valuable back-room space and inventory dollars.

We specialize in: direct, drop-ship and cross-dock programs. If you are currently using a basket not shown in our catalog let us know. As direct importers we can source the basket of your choice overseas if quantities and price dictate.

Working With Shrink Bags

✍ Place the arrangement on a turntable.

✍ Note the sizing symbol for the shrink bag that will ensure the proper fit. Place the bag over the basket and tuck under to secure the bag.*

✍ Turn on the heat gun and hold approximately 4" - 6" from the arrangement. Rotate the turntable and at the same time begin shrinking the bag to the bottom and side of the basket.

✍ In a spiral motion, work your way to the top of the arrangement. (If using a flair top bag or tubular shrink film make sure the flair top or plume has been secured with a pull-string or twist-tie bow. Also ensure that the flair top is protected from the heat to preserve the traditional look.

*When using a flair-top bag set the arrangement in the rounded end of the bag and pull the bag up and over the basket.

If you have an existing basket and are not sure which size shrink bag to use, measure the largest outside circumference of the basket with a tape measure. Divide the resulting measurement by 2 to determine the appropriate bag width.
